

Stop Hand Guns at the Source Petition

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

WHEREAS thousands of families across Ontario have mourned loved ones tragically and needlessly lost to gun violence.

WHEREAS there are many innocent victims whose lives will never be the same, who have suffered life-long injuries or deep emotional trauma, because of illegal guns on our streets.

WHEREAS this bill would help save families and victims the anguish and life-altering impact of gun violence by giving Ontario more tools and power to stop the flow of illegal guns from the source.

WHEREAS the bill requires Ontario’s Attorney General to investigate and initiate legal action against American gun manufacturers who are alleged to be facilitating the flow of handguns out of the United States into Canada. The Attorney General would be required to consult with experts and affected communities to develop a legal strategy to stop the entry and sales of illegal handguns in Ontario.

WHEREAS this bill is just one part of a larger strategy to address gun violence and its root causes, especially poverty, systemic racism, and lack of opportunity for young people.

THEREFORE WE, the undersigned, petition the Legislative Assembly of Ontario to support MPP Peter Tabuns Stopping Handguns at the Source Act.
