

# Visual survey along the rail corridor

Starting April 8, 2021

**What is happening?**  
 Metrolinx will be undertaking a visual assessment and taking measurements along the rail corridor using handheld cameras and measuring tools. This will support public information materials being developed regarding proposed noise walls.

## Timing

- **Scheduled start:** April 8, 2021
- **Duration:** 1 day
- **Days:** Thursday
- **Hours:** 9 a.m. – 5 p.m.

## What to expect

- A small field crew will be undertaking a visual assessment and taking measurements along the rail corridor using handheld cameras and measuring tools. This includes taking photographs, measurements and notes.
- All field crew members will be wearing high-vis vests as pictured.
- There will be no noise, pedestrian or traffic impacts associated with this work.
- Work may be delayed or reschedule due to inclement weather or unforeseen circumstances.

## The Ontario Line

-  16 kilometres of transit service
-  Making it faster and easier for hundreds of thousands of people to get where they need to be

-  Over 40 new connections to GO train lines and existing subway, streetcar, and bus lines.
