A safe plan to re-open school and childcare centres

Whereas, Doug Ford and Stephen Lecce have failed to provide the funding or the plan needed to ensure kids can return to schools and childcare centres in a safe and supportive way

Whereas, we need an immediate action plan

We the undersigned, petition the Legislative Assembly to create a plan that includes:

- Paid Sick leave and parental leave in any modified return;
- Immediate funding to stabilize the child care sector to prevent fee increases and layoffs;
- Increased funding for childcare and schools for more, smaller classes
- Real collaboration with frontline education workers, students, parent and school boards through a COVID-19 recovery advisory group
