Tell Doug Ford: Hands off the Minimum Wage

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

Whereas a growing number of Ontarians are impacted by the increase in low-wage, part-time, casual, temporary and precarious employment, with one in four Ontarians now earning below $15 an hour;

Whereas those most impacted by precarious employment and low wages are women, racialized people and new immigrants, people with disabilities, single parents, and youth;

Whereas minimum wage increases lead to lower employee turnover, more on-the-job training, and more productive workplaces;

Whereas in a province as prosperous as Ontario, every family deserves a fair wage and a decent living. No one working full-time should live in poverty;

We the undersigned petition the Legislative Assembly of Ontario to: honour the commitment to raise the minimum wage to $15 per hour as of January 1, 2019, and index ongoing increases to inflation, making it more predictable for families and businesses.
