Prevent Overdoses in the North

To the Legislative Assembly of Ontario:
Whereas, Ontario is expecting more than 2,200 opioid related deaths in 2020
Whereas, opioid related deaths are up 25% in Northern Ontario compared to 2019
Whereas, death rates in Northern Ontario are almost double what they are in Southern Ontario
Whereas, Northern Ontario has fewer health resources to handle the opioid crisis then Southern Ontario
We the undersigned, petition the Legislative Assembly to declare the opioid crisis a public health emergency in Northern Ontario and commit to funding local evidence-based initiatives such as harm reduction strategies, awareness programs, anti-stigma training, residential treatment, and overdose prevention services, including a Supervised Consumption Site in Greater Sudbury
