Save the Ontario Food Terminal

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

Whereas the Ontario Food Terminal is a vital piece of Etobicoke-Lakeshore's economy, distributing more than 2 billion pounds of produce every year to millions of people across the GTA;

Whereas hundreds of small businesses and local farmers rely on the terminal to stay connected to distributors and customers;

Whereas over 1,500 employees work at the Ontario Food Terminal;

Therefore we, the undersigned, petition the Legislative Assembly of Ontario to defend these vital employment lands and ensure that the Ontario Food Terminal stays in Etobicoke-Lakeshore, by designating the terminal as provincially significant employment lands.
