Supporting Quality Care for Ontario Long Term Care Homes

TO THE LEGISLATIVE ASSEMBLY OF ONTARIO:

WHEREAS quality care for the 78,000 residents of (LTC) homes is a priority for many Ontario families;
WHEREAS the provincial government does not provide adequate funding to ensure care and staffing levels in LTC homes to keep pace with residents' increasing acuity and the growing number of residents with complex behaviours;
WHEREAS several Ontario coroner's inquests into LTC homes deaths have recommended an increase in direct hands-on care for residents and staffing levels and the most reputable studies on this topic recommends 4.1 hours of direct care per day;
WE THE UNDERSIGNED amend the LTC Homes Act (2007) for a legislated minimum care standard of 4 hours per resident per day, adjusted for acuity level and case mix.
