

# PASS DAN'S LAW NOW!

To the Legislative Assembly of Ontario:

**Whereas** Canadians returning to or setting up residence in Ontario for the first time after residing in another province must wait three months for access to care, including end-of-life care, at home or in a community setting;

**Whereas** the majority of Canadians die in hospital while two thirds would rather die in their home;

**Whereas** Dan's law would remove the waiting period for end-of-life home and community care as well as homecare more generally for Canadians returning home or coming to Ontario for the first time after residing in other provinces or territories;

**Whereas** Passing Dan's Law would allow people at the end of life to be with their families, at home in Ontario;

**We, the undersigned**, petition the Legislative Assembly of Ontario to pass the Home Care and Community Services Amendment Act (Dan's Law).
