Fairness for the 99% Accountability Event

On Monday, April 4, we will work to hold legislators accountable by calling out legislative “Zeroes” and “Heroes” during the 2016 legislative session. The coalition will issue report cards based on how legislators vote and then march to the State Capitol Building to directly hold our lawmakers accountable.

What is the D.U.E. Justice Coalition?

On Martin Luther King Jr. weekend, civil rights, community, and labor organizations came together to fight for Democracy, Unity, and Equality, and a new coalition was born. The groups agreed to continue Dr. King’s fight to end racial and economic inequality.

“I have the audacity to believe that peoples everywhere can have three meals a day for their bodies, education and culture for their minds, and dignity, equality, and freedom for their spirits.”

-Dr. Martin Luther King Jr.

Join [Insert Group Here] as we hold politicians accountable for fighting for all of us. We will rate their commitment and their actions on these 5 critical issue areas:

- **Good Jobs and Fair Wages**
- **Universal Access to Quality Public Education, Preschool to Grad School**
- **A Vibrant and Fairly Funded Public Sector**
- **Racial, Gender, and Ethnic Justice**
- **Democracy in Our State and in Our Work Places**

Which of our elected officials are genuine public servants fighting for the 99% in this, the richest and most unequal state in the nation? And which are just politicians taking the easy way out?

Join us on April 4, 2016. Let's stand up for the public servants who stand up for us. **And let's hold accountable those who stand against us.** It's our state government. Let's make sure it's on our side!
