Fair Housing Data Transparency

Section 1. Section 8-37t of the general statutes is repealed and the following is substituted in lieu thereof (*Effective from passage*):

The Commissioner of Housing, in consultation with the Connecticut Housing Finance Authority and any other agency that administers programs and activities relating to housing, shall prepare the state's consolidated plan for housing and community development in accordance with 24 CFR Part 91, as amended from time to time. The consolidated plan for housing and community development and each annual action plan shall include the collection and analysis of data assessing state efforts to affirmatively further fair housing, set forth the state's specific numerical housing development goals for affirmatively furthering fair housing in accordance with 42 USC 3608(e)(5), including through setting goals based on geographic opportunity designations as defined by CGS Sec. 8-348 and generating regional housing production goals, and shall report on progress made towards such goals in the previous five years.
