5.04 Create nonlinear projects related to the social studies content area via multimedia presentations.

**English Language Arts Standard Course of Study**

Strands: Oral Language, Written Language, and Other Media/Technology

COMPETENCY GOAL 1: The learner will use language to express individual perspectives through analysis of personal, social, cultural, and historical issues.
Objectives
1.02 Explore expressive materials that are read, heard, and viewed by:
   · generating a learning log or journal.
   · maintaining an annotated list of works that are read or viewed, including personal reactions.
   · taking an active role in and/or leading formal/informal book/media talks.

1.03 Interact in group activities and/or seminars in which the student:
   · shares personal reactions to questions raised.
   · gives reasons and cites examples from text in support of expressed opinions.
   · clarifies, illustrates, or expands on a response when asked to do so, and asks classmates for similar expansion.

1.04 Reflect on learning experiences by:
   · evaluating how personal perspectives are influenced by society, cultural differences, and historical issues.
   · appraising changes in self throughout the learning process.
   · evaluating personal circumstances and background that shape interaction with text.

COMPETENCY GOAL 2: The learner will use and evaluate information from a variety of sources.
Objectives
2.01 Analyze and evaluate informational materials that are read, heard, and/or viewed by:
   · summarizing information.
   · determining the importance of information.
   · making connections to related topics/information.
   · monitoring comprehension.
   · drawing inferences.
   · generating questions.
   · extending ideas.

2.02 Create a research product in both written and presentational form by:
   · determining purpose, audience, and context.
   · choosing a relevant topic.
   · selecting presentational format (e.g., video, essay, interactive technology) appropriate to audience.
   · evaluating information for extraneous detail, inconsistencies, relevant facts, and organization.
   · researching and organizing information to achieve purpose.
   · using notes and/or memory aids to structure information.
   · supporting ideas with examples, definitions, analogies, and direct references to primary and secondary sources.
   · citing sources used.
COMPETENCY GOAL 3: The learner will continue to refine the understanding and use of argument.

Objectives
3.01 Evaluate a variety of public documents by:
   - identifying the social context of the argument.
   - comparing the argument and counter-argument presented.
   - judging the effectiveness of tone, style, and use of language.

3.03 Create arguments that persuade by:
   - engaging the audience by establishing a context, creating a persona, and otherwise developing interest.
   - developing a controlling idea that makes a clear and knowledgeable judgment.
   - arranging details, reasons, and examples effectively and persuasively.
   - anticipating and addressing reader/listener concerns and counter-arguments.

COMPETENCY GOAL 4: The learner will continue to refine critical thinking skills and apply criteria to evaluate text and multimedia.

Objectives
4.02 Develop (with limited assistance) and apply appropriate criteria to evaluate the quality of the communication by:
   - using knowledge of language structure and literary or media techniques.
   - drawing conclusions based on evidence, reasons, or relevant information.
   - considering the implications, consequences, or impact of those conclusions.

4.03 Use the stance of a critic to:
   - consider alternative points of view or reasons.
   - remain fair-minded and open to other interpretations.
   - construct or review.

COMPETENCY GOAL 6: The learner will apply conventions of grammar and language usage.

Objectives
6.01 Model an understanding of conventional written and spoken expression by:
   - using a variety of sentence types, punctuating properly, and avoiding fragments and run-ons.
   - using subject-verb agreement and verb tense that are appropriate for the meaning of the sentence.
   - applying the parts of speech to clarify language usage.
   - using pronouns correctly, including clear antecedents and case.
NCDPI Curriculum Goals

- using phrases and clauses correctly, including proper punctuation (e.g. prepositional phrases, appositives, dependent and independent clauses.)
- determining the meaning of unfamiliar vocabulary words using context clues, a dictionary, a glossary, a thesaurus, and/or structural analysis (roots, prefixes, suffixes) of words.
- extending vocabulary knowledge by learning and using new words.
- evaluating the use and power of dialects in standard/nonstandard English usage.
- applying correct language conventions and usage during formal oral presentations.

6.02 Continue to identify and edit errors in spoken and written English by:
- using correct spelling of words appropriate in difficulty for eighth graders and refining mastery of an individualized list of commonly misspelled words.
- producing final drafts/presentations that demonstrate accurate spelling and the correct use of punctuation, capitalization, and format.
- self correcting errors in everyday speech.
- independently practicing formal oral presentations.

Arts Education Standard Course of Study

3.05 Describe how information and ideas are influenced by prior knowledge, personal experience, and social, cultural, political, economic, and historical events.

COMPETENCY GOAL 4: The learner will EXPLORE and USE research processes to meet information needs.
Objectives
4.01 Identify information needs and formulate questions about those needs.
4.02 Identify potential research process models.
4.03 Develop a search strategy which includes the continuous evaluation of the research process and the information gathered.
4.04 Follow acceptable use guidelines (AUP/IUP) in accessing information.
4.05 Gather information from the most effective resources.
4.06 Comply with the Copyright Law (P. L. 94-553).
4.07 Organize and use information.
4.08 Credit sources of information.
4.09 Produce and present findings in various formats (print, graphical, audio, video, multimedia, Web-based).
4.10 Evaluate the product.

COMPETENCY GOAL 5: The learner will COMMUNICATE reading, listening, and viewing experiences.
Objectives
5.01 Respond to reading, listening, viewing experiences orally, artistically, dramatically, through various formats (print, graphical, audio, video, multimedia, web-based).
5.02 Produce media in various formats (print, graphical, audio, video, multimedia, web-based) appropriate to audience and purpose.
5.03 Describe, support an opinion, and/or persuade an audience using a variety of media formats (print, graphical, audio, video, multimedia, web-based).
5.04 Collaborate with others, both in person and through technologies, to identify information problems, and to design, develop, and evaluate information products and solutions.

NCDPI Curriculum Goals

5.05 Credit sources in all print, non-print, and electronic products.
5.06 Apply fair use copyright guidelines (Copyright Law, P. L. 94-553) in all projects.

Character Education Traits

Under the guidelines of the North Carolina Partnership in Character Education, schools should integrate elements of character across the curriculum. The character traits selected for integration include the six stipulated in a federal grant as well as the eight traits named in North Carolina Senate Bill 1139. Due to the fact that several of the traits on the two lists are either identical or refer to similar concepts, there are actually only ten elements of character emphasized in the products being developed.

1. Respect
2. Responsibility
3. Caring/Kindness
4. Trustworthiness/Integrity
5. Fairness/Justice
6. Citizenship/Civic Virtue
7. Courage
8. Perseverance
9. Self-discipline
10. Good Judgment
