

## The Millinocket Historical Society's Paver Project Fundraiser

*Help the Millinocket Historical Society complete the renovation of the second floor, basement and exterior of the new museum at 80 Central Street by purchasing your engraved paver. Purchase a paver in memory of a loved one, your children, your family or yourself. Buy a brick for your business or organization or high school class. These engraved pavers will be placed in the space between the museum's front porch and the sidewalk.*

Engraved pavers are 4" x 8" and allow for 15 characters (including spaces) per line and up to 3 lines of text. We have selected Midcoast Laser Works of Cushing, ME to do the engraving. Create a lasting memory and contribute to the preservation of Millinocket's history.
