

STATEMENT OF OBJECTS

1. The name of the association is: "Oz GREEN - Global Rivers Environmental Education Network (Australia)"
2. The objects for which the association is established are:
 - . (a) To promote ecologically sustainable development in Australia and globally to achieve equity for present and future generations and preserve ecological integrity and biological diversity.
 - . (b) To alleviate poverty by providing assistance to communities who suffer from the effects of polluted water in developing countries.
 - . (c) To promote informed community participation in the management of water resources through the provision of environmental education, monitoring and training programs.
 - . (d) To assist communities to develop strategies and to implement the actions needed to protect and restore the environment.
 - . (e) To promote networking between groups involved in environmental education, protection and restoration activities.
 - . (f) To promote inter cultural communication and understanding.
 - . (g) To foster the awareness of the global context of local environmental issues.
 - . (h) To promote ideas and actions which will enhance peoples understanding of the interdependence of all life on Planet Earth.
 - . (i) To seek donations, sponsorships and grants in pursuance of the objects of the Association.
 - . (j) To produce and distribute environmental education resources in support of the objects of the Association.
