

YOUTH LEADING the World

Facilitator Training

Environmental Youth Leadership

2 & 3 March 2017

DARWIN

This training program will empower you to create change in your own community and learn how to help others to do the same. You will gain the skills to run a Youth Leading the World congress in your school or community and spread the knowledge and skills to a wider audience. You will meet and connect with other people who are passionate about making a positive impact on the environment and their communities. Program is based on OzGREEN's sustainability in action process.

Training Program Outline:

- Up to date science on the state of the planet and eco footprint;
- Facilitating group process to move from overwhelm into empowerment;
- Visioning, innovation and creative thinking; Action planning.
- Wake up call - understanding your eco-footprint
- Bold brainstorming - reaching for VIBRANT goals
- Digging deeper - strategic questioning and deep listening
- Serious fun - playing games with meaning.

You will learn:

- ▶ Presentation skills ▶ Networking skills
- ▶ Communication & Digital media skills
- ▶ Public speaking skills ▶ Leadership skills
- ▶ Skills to engage and inspire other young people
