## Facilitator Agreement

YOUth LEADing The World brings young people getting together in their own local communities, to learn, to plan, to connect, to take meaningful action! To change the world together!

OzGREEN believes a key aspect to creating change is supporting the participants during and after the congress. For that reason the role of trainee facilitator is important both at YOUTH LEADing The World and afterwards.

As a trainee facilitator you will receive facilitator training to assist in the delivery of YOUth LEADing The World. In receiving this training you agree to:

1. Participate in the full facilitator training program
2. Assist in the facilitation of YOUth LEADing The World congress in your area
3. Follow up with YLTW participants after the congress to find out what support is needed and that they are doing to make a difference.
