

## CAMPAIGN ENDORSEMENT FORM

Tens of thousands of low-income Philadelphians are on waiting lists for help securing a safe, affordable home. They are facing homelessness, paying too much of their income on rent so they can't afford other necessities, or need help making repairs to their current home to keep it habitable and safe. It's time for Mayor Kenney and City Council to **Double the Housing Trust Fund** to at least \$25 million per year so that more Philadelphians can get off the waiting lists, and into a safe, decent home.

**Join the campaign today!** By filling out this form, you're adding your name to the list of endorsers. We'll keep you updated on campaign developments, and will invite you to be part of activities to show the Mayor and City Council strong support for doubling the Philadelphia Housing Trust Fund!
