

The Example School Vision

We will be a school where everyone matters

We will provide a range of inspirational opportunities that will challenge and support our young people to realise their potential and achieve excellent academic outcomes

We will be a school that is ambitious for the community it serves and has high expectations of its young people

We will be a school that is caring, inclusive and makes young people feel valued

Priorities for Improvement

By 2020 we will have

- Increased the number of young people in the school
- Developed an “Example School Offer” to a wider age-range of young people
- Established a strong academic reputation, and in particular for excellence in the teaching of [insert example here]
- Secured further capital investment for the refurbishment and redevelopment of the site and buildings
