

Coronavirus -  
The  
Positives!!!

A word  
from us

Some highlights so far.....

The Queen  
addressed the  
nation

Only the 5<sup>th</sup> time  
she has ever done  
so outside of her  
annual Christmas  
Day message

People have been drawing rainbows and putting them in their windows to show support for the NHS

At 8pm every Thursday, people come out of their homes and clap for the NHS to show their appreciation for everything they are doing.

WW2 veteran William Lapschie celebrated his 104<sup>th</sup> birthday after making a recovery. There are many people who do get better after being unwell from the virus.

In Italy, mass singing and dance-alongs have been taking place on balconies. There are also lots of street dances taking place here in the UK too.

# The environment is benefitting from the lockdown

Locals in Venice have noticed how clear the water appears, perhaps due to the lack of motorboats and pollution. These clearer waters have led to wildlife appearing in the canals

- Captain Tom Moore's 100th Birthday Walk for the NHS

- Captain Tom Moore has raised more than £25m for NHS Charities Together by taking part in a "100th birthday walk". Earlier this month, the 99-year-old set out a goal of raising £1,000 for the NHS by walking 100 laps of his garden.
- The veteran's aim was to complete the 100 laps before his 100th birthday at the end of the month.

## Captain Tom Moore teams up with singer Michael Ball in charity release

Captain Tom Moore has teamed up with Michael Ball for a fundraising cover of You'll Never Walk Alone.

# Businesses have been adapting to help key workers #1

- Owner of GG Hospitality, Gary Neville, has closed Hotel Football and the Stock Exchange Hotel to the public, in order to dedicate the beds to NHS and health care staff who need the accommodation.
- Chelsea FC have loaned their Stamford Bridge hotel to NHS workers needing accommodation.

# Businesses have been adapting to help out key workers #2

Apple is designing and producing face shields to protect health care workers in the United States throughout the pandemic

*“Apple is dedicated to supporting the worldwide response to COVID-19. We’ve now sourced over 20M masks through our supply chain. Our design, engineering, operations and packaging teams are also working with suppliers to design, produce and ship face shields for medical workers.”*

Tim Cook - CEO

# Businesses have been adapting to help out key workers Lidl

is donating thousands of its fresh fruit and vegetable bags to NHS staff across Great Britain. In partnership with the Royal Voluntary Service, Lidl will be delivering the bags to staff at hospitals nationwide.

An NHS paediatric nurse working on the front line in the fight against coronavirus brought the judges and audience to tears on Britain's Got Talent by singing a song about her young patients.

Beth Porch, 25, brought Simon Cowell, Amanda Holden, Alesha Dixon and Amanda Holden to their feet after her rendition of an original song inspired by her job at a children's hospital.
