

Hi Friends and Family,

On October 16th, 2017 during Alberta's municipal elections, we have the opportunity and responsibility to elect school board trustees within each of Alberta's school districts.

- **Do you know the candidates who are campaigning in your area?**
- **Do you want to learn more about each candidate's ideas and the priorities they will pursue if elected?**

There is an excellent resource called a "Trustee Voter Guide" being offered by Parents for Choice in Education (PCE). Their organization has compiled information on 200+ candidates in 16 different school districts in Alberta.

Where possible, Voter Guides include a variety of information, including:

- candidate contact information
- links to campaign websites and/or Facebook pages,
- candidate profiles/videos provided by the school district,
- questionnaire responses & various relevant news articles.

It is so important that we invest time to learn about the candidates in our area and vote wisely.

Even if you don't have a child in school or in the public school system, we all pay taxes to fund the system and we all reap the consequences of how it is managed, whether wisely or poorly.

Make your vote count! Our future generations depend on our wise choices today.

Thank you!
