## Have you considered volunteering with your local Association?

The purpose of an Association is to get a Conservative Member of Parliament elected. If you share that goal, why not volunteer? All of our volunteers are team players, who work together to raise funds, and attract new members.

Your reward is to work with some very fine people helping to shape the future of Canada. If that appeals to you, please contact Lorraine Etler at 705-641-1678.
