### BIO—ETHICALLY DRIVEN STEM CELL RESEARCH

*The service of humanity leads us to insist, in season and out of season, that those using the latest advances of science, especially in the field of biotechnology, must never disregard fundamental ethical requirements by invoking a questionable solidarity which eventually leads to discriminating between one life and another and ignoring the dignity which belongs to every human being.*

*Pope John Paul II*

### UNIQUE APPROACH

The John Paul II Stem Cell Research Institute's focus is on "therapeutic research" that is geared to finding cures and therapies. The Institute uses cutting-edge, disease-specific adult stem cells to find treatments for rare diseases and cancer.

### MISSION

The John Paul II Stem Cell Research Institute is a non-profit organization founded to provide an ethical alternative for research that respects the dignity of every human life. Using adult stem cells, not embryos, the institute will develop innovative solutions for treating cancer and other diseases, including drug discovery for patients with rare diseases.

### ABOUT GIVE CURES

Give Cures is the John Paul II Stem Cell Research Institute's national gift campaign that raises funds to advance ethical, non-controversial, adult stem cell research for cures and to raise funds to build a cord blood bank so moms can donate their newborn's cord blood. *Go to GiveCures.org* to share this flyer with friends.

### THE IOWA KNIGHTS OF COLUMBUS PARTNER WITH INSTITUTE

The Iowa Knights of Columbus, whose focus is on the culture of life, has partnered with the John Paul II Stem Cell Research Institute in the Give Cures campaign. They are helping to get the Flyers into the Churches and inviting them to give for ethical cures.

### AN ETHICAL DILEMMA

We believe human life at the earliest stage is valued, loved and created by God. To use and kill a human embryo for research is a moral evil. The challenge is daunting when so many research organizations and labs support embryonic stem cell research. Even worse is the prospect that patients may one day be faced with the moral dilemma of choosing between a cure and having a clear conscience. You can help to advance an ethical alternative for research that respects the dignity of every human life. Share the Give Cures flyer and become a partner or founder.

MAKING A DIFFERENCE

# JOHN PAUL II STEM CELL RESEARCH INSTITUTE

## SHARE YOUR STORY

Give Cures is about people helping people. Tell us your story. As we connect the givers with those who need cures, we touch each others lives. We bring humanity into ethical research.

Your story can give hope and reason for others to give. You can share your story at [www.GiveCures.org](http://www.GiveCures.org)

### PARTNER LEVELS:

Become a Partner ..... \$25, \$50 and \$100

## BECOME A FOUNDER

You can become a founder and have your name or your loved one's memorialized at the entrance of the Instiute. Once the Institute is founded, the founder program will end.

### FOUNDER LEVELS:

Corner Stone Founder..... \$200—\$500

Innovation Founder ..... \$1,000—\$10,000

Keystone Founder ..... \$11,000—\$100,000

## BECOME A PART OF GIVE CURES

Becoming a partner or a founder of the John Paul II Stem Cell Research Institute is easy and of great value. From small to large, all donations are welcome. Choose how you would like to make a difference:

Financial Donation \_\_\_\_\_ Volunteer: \_\_\_\_\_ Receive eNews: \_\_\_\_\_ Tissue or Cord Blood Donation: \_\_\_\_\_

Partner Level       \$25                       \$50                       \$100

Founder Level (see list above): \_\_\_\_\_

Donation Amount: \$ \_\_\_\_\_ Date: \_\_\_\_\_

Name on memorial: \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip Code: \_\_\_\_\_

Phone: (        ) \_\_\_\_\_ Email: \_\_\_\_\_

MAIL YOUR TAX DEDUCTIBLE DONATION TO:

**John Paul II Stem Cell Research Institute**

**540 East Jefferson St. Suite 305**

**Iowa City, IA 52245**
