Implementation of the 1995 and 2011 Pension Acts

WASPI Campaign (Women Against State Pension Inequality)

To the House of Commons.

The petition of residents of: ……
(please state the name of your constituency as per http://www.parliament.uk/mps-lords-and-offices/mps/)

Declares that as a result of the way in which the 1995 Pension Act and the 2011 Pension Act were implemented, women born in the 1950s (on or after 6 April 1951) have unfairly borne the burden of the increase to the State Pension Age; further that hundreds of thousands of women have had significant changes imposed on them with little or no personal notice; further that implementation took place faster than promised; further that this gave no time to make alternative pension plans; and further that retirement plans have been shattered with devastating consequences.

The petitioners therefore request that the House of Commons urges the Government to make fair transitional arrangements for all women born in the 1950s (on or after 6 April 1951) who have unfairly borne the burden of the increase to the State Pension Age.

And the petitioners remain, etc. *(please only sign this if you are a constituent of the above named constituency)*
