The guest speaker is *Fiona Ma*, a Certified Public Tax Accountant and currently the chair of the California State Board of Equalization, where she works to protect the rights for taxpayers while also ensuring that California collects its fair share of tax revenues. This year, Fiona is a candidate for California State Treasurer.

Fiona was elected to the California State Assembly from 2006-2012, eventually becoming Speaker pro Tempore. She authored a groundbreaking law to ban toxic chemicals, known as phthalates, in baby products statewide. She also sponsored legislation to protect consumers, help California's working families pay their bills, prevent the spread of Hepatitis B, increase access to quality healthcare, and provide equal rights for all Californians. As a San Francisco Supervisor, Fiona authored the landmark Local Business Enterprise ordinance on behalf of women and minority business owners and passed legislation to tackle human trafficking.
