K-8 Schedule

In K-8 buildings:

- The elementary students will follow the K-5 Elementary schedule.
- The 6-8 students will follow the Middle school schedule.
Instruction

- Academic Flexibility
- Materials for Instruction
- Standardized Testing
Academic Flexibility

In consultation with their building administration, professional educators, either individually or as groups, shall be afforded the flexibility to make decisions regarding the content, order and presentation of instruction within the established guidelines of the District instructional model.  

Section I.I.
The District shall provide professional educators with all materials necessary to instruct students either in CDL or in in-person settings. Students who remain in CDL shall be provided the equivalent materials as students who elect in-person instruction. **Section III.c.**

*Our CBA language still applies that requires materials to be provided IN THE LANGUAGE OF INSTRUCTION (CBA 8.12)*

*#9 and #10 from October 16, 2020 CDL Agreement for DLI still apply*
In order to maximize student learning and social/emotional opportunities, the District will eliminate standardized testing that is not required by Oregon or federal requirements.  Section III.e.
Work Accommodations

- Remote accommodations
- Qualifying Childcare
- Remote work when not delivering in-person services
- Leave options
Remote Accommodations

- The district will ask educators their preference for Hybrid instructional model(s) and for continued CDL instruction prior to making any return to in-person instruction assignments. Section I.g.

- Professional educators who cannot receive vaccinations due to verifiable medical conditions, who live with at-risk family members who have not been vaccinated, or who cannot receive the vaccination due to bona fide religious reasons, may request reassignment to an appropriate distance learning position for the duration of the 2020-21 school year if available. The District will make every reasonable effort to effect the availability of the positions. Section I.h.

- Principals will consult with teachers about how students are cohorted and how classes are configured. Principals will consider educators' preferences for assignment, subject to the staffing needs of the district. Section I.l.
Qualifying Childcare

- Educators shall receive assistance from the District through the opportunity to apply for up to three-hundred dollars ($300) a month per child to offset the cost of qualifying childcare. Section I.i.
Requirement to work in building

- Educators may work remotely when they are not providing direct in-person instruction so long as they are adequately performing all expectations including attending scheduled meetings, PLCs, student/family engagement, and collaboration with co-workers.

- All meetings will be offered virtually, unless in-person attendance is necessary due to the nature of the meetings/trainings. **Section III.d.**
Leave Options

- Members denied accommodation may apply for and be granted an unpaid leave for the school year.

- Professional educators shall have access to all leaves listed in the CBA during the time of Hybrid instruction. Section I.j.
- Health Metrics
- Additional Guidance: DLI, SpEd, Student Support Services
- Duties
Heath Metrics

- **Local School outbreaks** could lead to individual cohorts or school moving to CDL.

- There is a protocol for educators, without loss of pay, to self-isolate as a way to respond to local school-based outbreaks. Educators isolating in such circumstances will continue providing comprehensive distance learning unless symptoms prevent them from working. Secion I.d.
The District will produce guidances for DLI, SPED, and Student Support Services instructors in collaboration with the Association based on the discussions in the SPED and DLI small group sessions. *Section III.f*
Duties

- Existing CBA language: Good faith consideration of fairness and balance will be made in assigning such duties to professional educators. **SLPs, School Psychologists, Counselors, QMHPs and other specialists shall not be assigned more duty time than what is generally assigned to other professional educators. CBA 8.5**
Ratification Process

- DO Pass Recommendation from PAT Executive Board
- The Result of a yes vote
- The Result of a no vote
DO PASS Recommendation

On Monday evening, following a presentation of the Tentative Agreement, the PAT Executive Board voted unanimously to make a DO PASS Recommendation to the PAT Membership to ratify this agreement.
The Result of a Yes Vote

- The tentative agreement, including protections around safety, workloads, alternative assignments, goes the School Board for ratification and then goes into effect.

- This agreement gives us legally binding safety conditions that we can enforce.
The Result of a No Vote

❑ We would go back to the table, and in the meantime the district would impose terms.

❑ Under the Governor's order, PPS could require members to work in in-person and hybrid conditions without any of the protections around safety, workloads, alternative assignments that we have in the TA.
