

VOTE by MAY 15th

**PORTLAND
ASSOCIATION
OF TEACHERS**

The Portland Association of Teachers Political Action Committee (PAT PAC) is proud to announce its endorsements for the May 2018 primary election. The board considers candidates' positions on public education, their commitment to union values, their alignment to PAT strategic goals including racial equity, and their electability. We look forward to working with these candidates to improve our schools, and move our state, city, and county to better support our students and families.

26-197 Portland Children's Levy: Vote YES

The PAT PAC is a voluntary, nonprofit, unincorporated association of individual educators and others and is not affiliated with any political party. PAT PAC's purpose is to elect to office candidates interested in the development of a better educational system in Oregon and Portland Public Schools. PAT PAC decisions are made by its Board of Directors, which include the PAT President, the Legislative Committee Chair, PAT's OEA PIE Representative, PAT's OEA Legislative Advisory Council representative, and six at-large directors elected by the PAT PAC contributors. PAT PAC funds come from voluntary contributions, not from union dues.
