On May 8th PAT members are taking action - and PPS has agreed to close schools on that date. We need to come together to stand up and demand to be heard.

We will hold local activities on May 8th beginning at 8:30 a.m. at local sites across Portland (details forthcoming). The day of action will continue from 11:00 a.m. to 2:00 p.m. where we will gather with thousands from the area at Waterfront Park for a rally and march through the city.

Be sure to sign the pledge to participate with your Building Rep! Find more information visit may8forstudents.org
