

TEACH CLIMATE JUSTICE

Are you ready to engage your peers and students in bold climate justice education? Is your school community excited to join a global movement fighting for equitable solutions to the greatest challenge of our time?

Join educators and youth to learn how to advocate for environmental justice in your classroom, at your school and in your community.

**Thursday, April 25th
4 PM, Social
4:30 - 6 PM, Program
PAT 345 NE 8th**
