

Administrator(s):

Now that PPS and PAT have agreed to close schools on May 8th, we invite you to stand with the educators from your building to lift our voices together for increased school funding in Oregon!

As an administrator, you have been forced by funding shortfalls to create a 2019 - 2020 staffing plan in your building that we all agree doesn't meet the needs of the students in your school. Enough is enough.

Join us at 8:30 a.m. on May 8th for local actions across Portland (details forthcoming) followed by a Waterfront Park rally and march through the city from 11:00 a.m. to 2:00 p.m.
