

Role of the Bargaining Organizer

- Be a creative team leader for your building, finding ways to highlight your school's unique voice/personality
- Attend a few training sessions, which may be half-day release from work
- Attend some after school meetings
- Conduct surveys as requested, making sure there is high participation from your site
- Distribute printed materials and information to colleagues at your work site
- Relay information from your colleagues back to PAT by requested dates
- Organize activities at your site in support of the bargaining team (Examples: make banner, send card, etc.)
- Recruit colleagues to attend bargaining sessions when requested
- Explain organizing "actions" and make sure they are carried out at your work site. (Examples: make sure buttons are distributed and information about the action is provided to the members; make sure people know about and sign up to attend rallies, etc.)
- Other help as needed
