

THE NORTH CAROLINA OPPORTUNITY SCHOLARSHIP PROGRAM

The Opportunity Scholarship Program, passed in July 2013, provides annual scholarships of up to \$4,200 per year so low-income and working-class children have access to schools that best meet their educational needs.

For the 2020-21 school year, the application period begins January 31, 2020 on the North Carolina State Education Assistance Authority's website (ncseaa.edu) and will remain open until August 31, 2020. Parents will be notified about scholarship awards in April 2020.

HOW DO OPPORTUNITY SCHOLARSHIPS WORK?

Low-income and working-class children whose families meet certain income guidelines are eligible to receive Opportunity Scholarships up to \$4,200 per student per year (\$2,100 per semester per student).

WHO GETS PRIORITY TO RECEIVE A SCHOLARSHIP?

First priority will be given to eligible students who received a scholarship during the previous school year and renew their scholarship.

New families who apply by March 1 will be considered in the lottery.

New families not receiving a scholarship in the lottery or applying after the March 1 deadline will be placed on a waitlist and awarded a scholarship as funds are available.
