HI-Boston Info Sheet

Hostelling International Boston invites you to stay at the newest state-of-the-art facility in the heart of downtown. Located on the border of Boston's Theatre District and Chinatown, this 480 bed facility offers affordable accommodations within walking distance to some of the city's favorite attractions and event venues. This newly renovated building is listed on the registry of historic places and has been transformed into a green facility and is LEED Silver Certified. HI-Boston is dedicated to a "reduce, reuse, and recycle" mission and some of the building's features include energy efficient elevators, lighting controls and recycling bins throughout.
