

EVANGELICAL CHRISTIAN LEADER SPEAKS OUT AGAINST ANTI-SEMITISM

LAURIE CARDOZA-MOORE: “ROGER WATERS IS AN ANTI-SEMITE,...HE SHOULD NOT BE ALLOWED TO PEDDLE HATRED IN OUR BACKYARD WITHOUT PROTEST”

(MIAMI, FLORIDA) 7-12-17 Laurie Cardoza-Moore, president of Proclaiming Justice to the Nations, has called upon Floridian Christians, Jews and people of conscience to protest Roger Waters’ concert at the American Airlines Arena in Miami tomorrow night. Waters, the former Pink Floyd musician, has become the poster boy for the anti-Semitic Boycott, Divestment and Sanctions Movement (BDS) targeting Israel. He has also routinely exhibited outright anti-Semitism in his concerts by dressing in pseudo-Nazi uniforms and hoisting large inflatable pigs adorned with Stars of David. Cardoza-Moore who grew-up in south Florida, is insulted that Waters should be financially benefiting from a region that not only boasts a large Jewish population but is also home to a major Christian pro-Israel support base.

Cardoza-Moore stated: “Roger Waters is a flagrant anti-Semite. All Christians, Jews and people of conscience should publicly condemn him... Everybody should do what they can to voice their concern that this anti-Semite is spewing his despicable brand of hatred in the Sunshine State. Contact your local lawmakers, picket the concert, speak-out on social media, but whatever you do, do not remain silent.”

Proclaiming Justice to the Nations is a Christian based organization dedicated to educating Christians about their Biblical responsibility to defend Israel and the Jewish people. PJTN has been successful in getting Florida legislation passed with overwhelming bi-partisan support condemning the anti-Semitic BDS Movement within the State. The organization recently produced an award winning documentary exposing the truth behind the BDS movement entitled: Boycott This!

ABOUT PJTN:

Proclaiming Justice to the Nations (PJTN), a 501c3 non-profit organization, was established to educate Christians about their Biblical responsibility to stand with their Jewish brethren and Israel, utilizing powerful film and video presentations, a variety of grassroots rallies, events and speaking engagements to facilitate dialogue between the Christian and Jewish communities in support of the State of Israel and against global genocidal anti-Semitism. In recent months the organization has led the struggle against BDS in America with a wave of state resolutions and the upcoming 2017 release of a new documentary film “BOYCOTT THIS!” that will expose the truth behind the BDS movement.
