## **ABOUT PJTN:**

Proclaiming Justice to the Nations (PJTN), a 501c3 non-profit organization, was established to educate Christians about their Biblical responsibility to stand with their Jewish brethren and Israel, utilizing powerful film and video presentations, a variety of grassroots rallies, events and speaking engagements to facilitate dialogue between the Christian and Jewish communities in support of the State of Israel and against global genocidal anti-Semitism. In recent months the organization has led the struggle against BDS in America with a wave of state resolutions and the upcoming 2017 release of a new documentary film "BOYCOTT THIS!" that will expose the truth behind the BDS movement.
