CONGRATULATIONS MARTHA!

You are an inspiration to me and so many others. You support and encourage me and so many other activists for health care justice. Thank you for all you do!

Love,
Betsy Rosenthal
“People of color and immigrants bear the brunt of the failure of our current fragmented, privatized system. Single payer promotes equity and stands to benefit especially those who have been left out and left behind. If you see health as a human right, you should support the NY Health Act.”

- Mary T. Bassett, MD, MPH -
