WELCOME

Pride Western Australia Incorporated welcomes you to the 25th year celebrations of PrideFEST, Western Australia's premiere LGBTIQ arts, culture and community festival

Pride WA grew out of a community movement protesting laws that actively discriminated against lesbian and gay Western Australians, and has worked closely with many in our community to achieve important law reforms.

As an organisation, we are now focused on growing PrideFEST as a festival that gives artists, performers and community groups a platform to share our abilities and stories with the whole of Western Australia.

The 25th anniversary Pride PARADE is one of many highlights in this year's festival, which is rich with many "must-do" events. We encourage you to get along to everything you humanly can! It'll be worth it.

As with all of our events this year, we are asking artists, performers, as well as our participants and patrons, to paint the city silver in recognition of 25 fabulous years.

Our theme also acknowledges the amazing support we have had from both the City of Perth and City of Vincent over many years, as well as our growing relationship with the Metropolitan Redevelopment Authority.

With the support of Lotterywest and all of our other sponsors, we are proud to present this year's program to you. We hope you enjoy it and have a very happy PrideFEST!

MESSAGES

Rt Hon Lisa Scaffidi
Lord Mayor City of Perth

The dynamism, vibrancy and rate of change in attitude of our capital city has been embraced and wholeheartedly supported, and in many ways strongly driven by Perth's lesbian, gay, bisexual, trans, intersex and queer (LGBTIQ) community.

In 2015, the City of Perth is proud to join Pride WA to celebrate the massive contributions made by the LGBTIQ community to life in our city and state over a quarter of a century!

Celebrating 25 fabulous years, this year's biggest and most energy-fuelled festival yet, will see Perth become a Silver City over 17 glitter-filled days.

The 25th annual Pride PARADE will party in the streets of Northbridge with more colour than ever before, as individuals and groups from a wide array of community sectors make their support of and participation in PrideFEST known, loud and proud.

The Perth Cultural Centre's Urban Orchard will be transformed into a festival hub, where inaugural events, Happy Pride and the Sunset Bar, as well as the return of the enormously popular Garden Party, will invite the community to gather and enjoy food, drinks and entertainment in a relaxed, open and friendly atmosphere.

Throughout Northbridge and further afield, there are PrideFEST activities for all to get involved with, from community events to diverse performance and arts events.

Each year it is heartening to see so many families participating in PrideFEST, ensuring future generations grow up in a society that encourages, expects and celebrates our differences as well as our common bonds.

I look forward to seeing a swell of support for this year's Festival and invite you to join me in encouraging a record crowd to Northbridge for this year's PARADE as we paint the town silver.

Happy Pride!

John Carey
Mayor City of Vincent

The City of Vincent is very proud to once again sponsor PrideFEST and I congratulate Pride WA on 25 fantastic years of Pride festivities!

The City firmly believes in an inclusive and diverse community, where everyone enjoys the same rights and respect. While much has been achieved, there is still plenty of work to be done to tackle discrimination. As a council, Vincent is

playing its part – we established WA's first Relationship Declaration Register, enabling both heterosexual and same-sex couples a formal recognition of their relationship (search our website for more).

We also love hosting FAIRDAY in the City of Vincent!

PrideFEST also offers our LGBTIQ community a great opportunity to come together and feel connected as part of something bigger. Let's make sure we welcome everyone to be a part of this celebration – the colour, the community and the energy!

Enjoy this year's superb 25th anniversary celebrations!

THANKS

Our thanks go to the members of our hard working volunteer Committee of Management: Andrew Barker, Michelle Rogers, Graham Lovelock, Marcus Remta, Amy Henderson, Colin McDonald, Maryanne Wilson, Karron Swinn, Danny Tan and Nicole Corbett.

Our thanks also go to our event managers, The Event Agency, our marketing and communications agency, Campaign Capital, our sponsorship consultant, Limelight Consulting, and the team at the Centre for Association Management, who provide our administrative support.

Our thanks also go to our many members and supporters, as well as the sponsors, artists, performers, venues and volunteers, who collectively put the Pride into PrideFEST.

THEATRE & CABARET

MATTHEW MITCHAM'S TWISTS AND TURNS

Twists and Turns was created by Matthew Mitcham, award-winning director Nigel Turner-Carroll and international cabaret sensation Spanky (aka Rhys Morgan) under the musical direction of Jeremy Brennan of Jersey Boys fame. Olympic diver Matthew Mitcham OAM has recently released his autobiography Twists and Turns, which reveals a life behind the international spotlight that has been plagued by low self-esteem, anxiety and depression, panic attacks and repeated self-harm as a teenager, leading on to drug abuse. He has also struggled with issues relating to his sexuality, being one of few Olympians to compete as openly gay. Away from the diving pool Matthew is a talented singer and musician, who invites you to share the highs and lows of his incredible life through theatre and song, along with a few surprises, a bit of foot-tapping and loads of inspiration, in his popular show. Making a highly anticipated return to Perth after consecutive sellout seasons at Fringe World, this live production of Twists and Turns is an inspiring story of a true champion – in and out of the pool.

PRIDE 25 RETROSPECTIVE PHOTOGRAPHY EXHIBITION

25 PRIDE exhibition celebrates the 25th year of Pride Western Australia. The exhibition showcases objects, photographs and news clippings commemorating PRIDE from the Gay and Lesbian Archives of Western Australia (GALAWA).

Over 25 years PRIDE has grown and transformed; from the early days of the Stonewall Union of Students WA, a grass roots political movement formed to combat the active discrimination of the time, to the Pride Collective, Lesbian and Gay Pride WA and the current Pride WA, a celebration of the community; now fighting for the right to marry. GALAWA formed in the mid 1990s to collect and protect, precious material from the community. The GALAWA collection is housed securely in the basement of Murdoch University Library. A new committee formed in 2015 to revitalise the collection.

This exhibition has been curated by Guy Gomeze, co-convenor of GALAWA with the support of GALAWA, in partnership with Pride WA.
