

OUR **PROGRESSIVE PLATFORM** FOR MASSACHUSETTS

Let's be a progressive leader again! We should *lead* the nation in protecting working families and expanding the middle class, while reducing poverty and inequality. We have the economic engine, creative and intellectual capital, environment, energy and inspiration to reinvest in, re-create and grow a true Common Wealth. Let's take action on our *Progressive Platform for Massachusetts*.

OUR **SHARED PROSPERITY** *agenda*

QUALITY, FREE, PUBLICLY-FUNDED EDUCATION, Pre-K through post-secondary

QUALITY, AFFORDABLE HEALTH CARE, which covers all medically necessary treatment

AFFORDABLE, DECENT HOUSING, in safe and vibrant neighborhoods

JOBS THAT PAY A LIVING WAGE, and are close to safe, affordable transportation

AN EQUITABLE TAX SYSTEM, which raises sufficient revenue to invest in our future

OUR **ALL MEANS ALL** *agenda for Racial and Social Justice*

JUSTICE FOR ALL, wherein underrepresented and/or vulnerable communities are protected under the law and treated with dignity and respect and tools for economic mobility. Aims include--

A FAIR AND EFFICIENT CRIMINAL JUSTICE SYSTEM, which ensures public safety, strong communities and effective use of public funds

A SENSIBLE AND HUMAN-FOCUSED IMMIGRATION SYSTEM, wherein all historically marginalized communities are protected under the law and treated with dignity and respect

A DIVERSE AND WELCOMING SOCIETY, for all, including historically marginalized communities and persons

OUR **GOOD GOVERNMENT/GOOD CITIZENSHIP** *agenda*

A GOVERNMENT that fills its responsibility to represent the interests of the Commonwealth and our residents, with transparency and accountability.

AN ELECTORAL SYSTEM that expands voting, the electorate and its trust in candidates and electeds.

A CAMPAIGN FINANCE SYSTEM that reduces the influence of money and returns elections to issues and the electorate.

OUR *Sustainable* **INFRASTRUCTURE and ENVIRONMENT** *agenda*

AN ENERGY INFRASTRUCTURE that reduces pollution, promotes clean energy, reduces greenhouse gasses and protects our natural climate and environment

A COMPREHENSIVE PUBLIC TRANSIT SYSTEM, including improving existing transit infrastructure and expanding smart, transit oriented development that is affordable, for all communities

A HEALTHY NATURAL AND BUILT ENVIRONMENT that provides ample open space, reduces pollution, improves our communities and nurtures residents of the Commonwealth
