Re: Purple Line Employment Opportunities

Dear prospective employee,

Thank you for your interest in working for the Purple Line, a 16-mile light rail project that is being overseen by the MDOT MTA Office of Transit Development and Delivery. The MDOT MTA is not hiring for construction on this project; however here are some of the major contractors now working on the project to which you can send inquiries:

- Aves Construction (Temple Hills, MD)– Water main relocations  
Website: [Aves Construction](#)
- Concrete General (Gaithersburg, MD)– Site clean-up, concrete and repairs  
Website: [Concrete General](#)
- Empire Landscaping (Silver Spring, MD) – Erosion and sediment control maintenance
