Protesting against the Queensland Labor Government's abortion-to-birth laws passed in 2018, and the tragic result of a 58% increase in abortions in Queensland.

2

Petitioning the Federal Government to allow the Human Rights (Children Born Alive Protection) Bill 2021 to go to a vote this year.

3

Petitioning the State Government to urgently increase palliative care funding and protesting against legalising assisted suicide (euthanasia) in Queensland.

To sign a Parliamentary petition for greater palliative care funding in Queensland.

We also will observe a minute of silence to remember those babies that have died in abortion in Queensland.

As always it will be a family-friendly event, and Queensland Police will have a presence to help ensure our safety at all times.

Please wear a white top if you can.
