

# GROWING TOGETHER

## THE QUEENSLAND COMMUNITY ALLIANCE

### 2014 ASSEMBLY

This assembly will be a gathering of hundreds of Queenslanders who are joining together in their congregations, unions, associations and community organisations to work together for the common good.

We will share stories that demonstrate the common values that unite us, and make a commitment to each other to build a stronger civil society that can work together for the common good.

The Queensland Community Alliance is a community organising alliance of faith groups, unions, charities, community organisations and ethnic associations working together to forge a better Queensland.
