Supporting Families

Support your Community Child Care & Neighbourhood Centre at Parliament House

65 community based early child care, neighbourhood and community centres will have their rental subsidies cut by the Liberal Government. This will mean that these centres will either have to increase their fees or close.

Show your support and join us at Parliament House as we tell the Liberal Government how important these centres are to us, our families and our community.

- I will be attending at Parliament House on 22 September
 I am unable to attend but please keep me informed
