# PETITION

**A Petition to the Legislative Assembly of Ontario – DORLAND INDUSTRIAL WIND TURBINE (IWT) PROJECT**

**To the Legislative Assembly of Ontario:**

**Whereas**, Ontario is already paying wind energy producers above market value for electrical generation that is surplus and exceeds demand;

**And Whereas**, the proposed Dorland Industrial Wind Turbine Project would be erected in close proximity to a brand new, unused gas fired plant and an existing plant that only operates at 5% capacity;

**And Whereas**, Premier Wynne campaigned on a platform of not building IWT projects in areas that are “unwilling hosts”;

**And Whereas**, on behalf of its residents, the Municipal Council of the Town of Greater Napanee has passed a resolution identifying themselves as an “unwilling host” for the Dorland project;

**We, the undersigned, petition the Legislative Assembly of Ontario as follows:**

That the Liberal government reject the Dorland IWT project proposal.
