PETITION

A PETITION TO THE LEGISLATIVE ASSEMBLY OF ONTARIO - "Health Care is an Essential Service"

WHEREAS the Government of Ontario has exclusive jurisdiction over health care in Ontario

AND WHEREAS the Government of Ontario has denied access to necessary and life-saving procedures to the citizens it is obligated to care for;

AND WHEREAS the Government of Ontario made these decisions based on modelling projections for COVID 19 while entirely ignoring the diagnosis and treatment of other illnesses;

AND WHEREAS an ever increasing number of cancer patients are having their surgeries significantly delayed through the Government of Ontario's willingness to sacrifice these lives on the altar of misguided COVID protocols, putting so many at risk of greater illness or death;

WE, the undersigned, petition the Legislative Assembly of Ontario as follows: that the Government stop playing God with people's lives, and provide necessary surgeries to those who need them as they are obligated to do under the law.
