

# REBECCA PERKINS **KWOKA** **STATE SENATE**

Hi there,

I hope you have been enjoying the winter wonderland this weekend. It's certainly feeling more and more like the holidays!

As 2021 comes to a close, I want to take an opportunity to reflect on the year and look toward what's to come. So I decided to put together a list of resolutions for next year and things I'm grateful for from this past year:

## Resolutions...

- **Prevent gerrymandered maps:** I've introduced legislation to outlaw gerrymandering and we will keep fighting to uphold our democracy.
- **Protect abortion rights:** by passing the Access to Abortion-care Act, legislation I am leading to protect abortion rights, regardless of what occurs at the federal level.
- **Fight for legislation that matters to you,** including bills I'm leading at the request of constituents to widen the turning basin and increase access to craft cocktails for small businesses.
- **Showing what young working families are capable**

of! There are families across our state that are finding time to impact their communities while raising a family. I hope our family can continue to be an example of what young families can and have been doing to make our state a better place.

### Things I'm Grateful for...

- **Senator Hassan, Congressman Pappas, and the rest of our delegation** fighting for voting rights in D.C. Another example of why it is so important to have them in Washington!
- **Organizations throughout NH** like 603Forward, Planned Parenthood NH, Family Friendly Economy NH, Rights and Democracy, and many more! Your hard work has engaged so many in the political process and our state is all the better for it.
- **My Senate Dems colleagues** for all the hard work they do fighting for the future we believe in. It has been a privilege to work alongside them and see their dedication up close.
- **You!** It has been an honor to represent District 21 in Concord and I can't wait to get back to work. I'm proud of all our community has accomplished and I look forward to what's to come!

From my family to yours, wishing you a safe and joyous holiday season and a very happy New Year!

Take Care,  
Rebecca
