HUMANE.

HOW TO: SELL T-SHIRTS

- Selling campaign t-shirts is a great way to support the campaign. Not only do the t-shirts promote the campaign, but any revenue generated from their sales is directed back into the campaign itself.
- To sell the t-shirts, make sure you have a device powered up at your stall and connected to https://www.choosehumane.org.au/t_shirts. That way, people can buy them directly from us and have them delivered to their door.
- It's a good idea to have a **sample pack** so that people can try on the different sizes. Get in touch with us and we'll send you one.
- If your stall is at a market and you would like to sell physical t-shirts, let us know and we'll send you a box.

Contact Laura.Stacey@refugeecouncil.org.au or call on 0481 356 846 with your orders.

- Don't forget, **May 14th** is Choose Humane Day. Across Australia, people will be sharing photos of themselves in their Choose Humane t-shirts on social media.
- Join us by sharing yours using **#ChooseHumane**, and let's make sure our leaders begin election month knowing that Australia chooses humane.
