

PARTNER & SPONSOR 2019

December 6 & 7, 2019

Rochester, MN • Mayo Civic Center

There are other Food and Wine Festivals in the US - but only one consists of foods exclusively from Iowa, Minnesota, and Wisconsin. This exhibit not only features foods made in those states, but many of the ingredients are also grown here too. Vendors have to show their support of a healthy and vibrant food system...

Are you interested and able to show your support as well?

Join us as we present the 6th year of FEAST! with many new vendors, Rochester Farmers' Market, "Best of FEAST!" Awards, Cooking Demos, Fun for Kids!, Wine and Cider Sales, and the return of FEAST! Local Foods Magazine.
