## FOR IMMEDIATE RELEASE

### **FEAST! Restaurant Week a celebration of farm to table eateries in Rochester**

**Rochester, MN (Nov. 15, 2018) – FEAST! Restaurant Week is a celebration of farm to table local foods by area restaurants, pubs, and cafés, Nov. 26 - Dec. 1, offering unique local food and beverage creations by area chefs and mixologists.**

Ahead of the 5th Annual FEAST! Local Foods Marketplace on Nov. 30-Dec. 1, 100+ food and beverage entrepreneurs will be flooding the town, and venues participating in Restaurant Week are using products from those businesses to craft new specials—including both entrees and drinks. Customers who order those specials can receive a coupon for either \$3 off general admission or \$10 off an adult beer/wine/cider wristband admission to attend the *FEAST!* festival on Saturday, Dec. 1.

“FEAST! Restaurant Week provides an opportunity to showcase our city’s exceptional cuisine and our restaurants’ commitment to farm-to-table options and to local growers and makers,” says Mary Gastner, interim executive director of Experience Rochester MN.
