FAQ

What is the *FEAST! Local Foods Marketplace*?

The largest—and finest—exhibit of local food and beverages in Southern Minnesota, Northeastern Iowa and Southwest Wisconsin. You can sip, sample, and shop over 100 food-artisans, growers, wineries, cideries and craft breweries committed to community and sustainable practices.

How's it different from a farmer's market?

A market offers items for purchase, *but at FEAST*, exhibitors provide samples of their products. FEAST also includes cooking demos for adults and children, a special kids craft and entertainment area, and wine and beer tasting. This year there will be new arts activities for everyone in the lobby.

What kind of food and drink will I find?

You'll enjoy everything from granola and gluten-free cookies to cheese, chocolate and coffee; grass-fed meats to meat-alternative burgers. You can also sample some pretty special sauces, local honey and condiments, jams, oils & vinegars, and award-winning salsas. There will be wine, craft beer and hard cider to sample and purchase to take home (for those with a wristband ticket).

Who should attend the FEAST! festival?

Everyone who likes food!

Cost?

Adult tickets are \$8 or \$25, which includes the wine/beer/cider tasting;
Children under 12 are \$2.
