Child Care Initiative Project

CCIP Expansion: Capacity Building & Quality Improvement

CCIP supports the full continuum of home-based child care providers, while increasing access to quality infant & toddler care for families throughout California.

The CCIP Expansion efforts are intended to boost access to I/T care in CA.

CCIP is the predominant entry point to California's quality improvement system.

CCIP Expansion: Increase access to I/T Care in CA

GLC Play-based Curriculum for LEP/FFN

Expand support to the full continuum of home-based caregivers

Consistent Messaging, Outreach, and Support

Establish a statewide outreach campaign & consistent support for new licensees

CCDF aligned H&S Training for the full continuum (LEP/FCCH)

Develop training curriculum that complements the GLC Training Modules & meets CCDF H&S training requirements

Quality Assurance

Develop a quality assurance tool

C A L I F O R N I A

Child Care Initiative Project

CCIP Expansion: Expand support to LEP

Expand support to the full continuum of home-based caregivers.

To support these efforts, the Network will:

- Develop a play-based Growing, Learning, Caring (GLC) Curriculum & Implementation Guide
- Provide Training & TA to all R&Rs on new and existing GLC training materials and resources

Local R&R CCIP Contractors will receive additional funding and support to fulfill the following:

- Offer at least one monthly activity for LEP/FFN Caregivers beginning January 2019
- Assess the need for care and support
- Track & Report outreach, events, participant, and participation information, such as whether they are paid via subsidy
- Complete relevant portions in the CCIP Project Plan

C A L I F O R N I A

Child Care Initiative Project

CCIP Expansion: Statewide Outreach & Recruitment Support

- Establish a statewide outreach campaign with various resources that R&Rs may use for consistent statewide outreach that is multilingual, multimedia, on line, and in print.
- Provide consistent recruitment TA & Support to all new and expanding FCC Providers

Local R&R CCIP Contractors will receive additional funding and support to provide all **CCIP New Licensees**:

- Technical Assistance
- Pre-licensing visit (offer)
- Up to \$1,000 in materials or reimbursable expenses for licensure, including: fingerprinting for the entire household (per CCLD), costs for CPR/FA/HS, fire extinguishers, baby gates, etc.

Child Care Initiative Project

CCIP Expansion: Increase access to I/T Care in CA

- Develop training curriculum that complements the GLC Training Modules & meets CCDF H&S training requirements to boost access to training and capacity to serve I/T receiving subsidies
- Develop a quality assurance (QA) tool that is sustainable, ongoing, and assesses local impact and promotes best practices for continuous quality improvement
- Establish streamlined processes for tracking & reporting QA, and incorporate training records into a statewide database for LEP in a way that is transparent for families and R&Rs
