

Trauma-Informed Care Training & Coaching

Emergency Child Care

Bridge for Foster Children

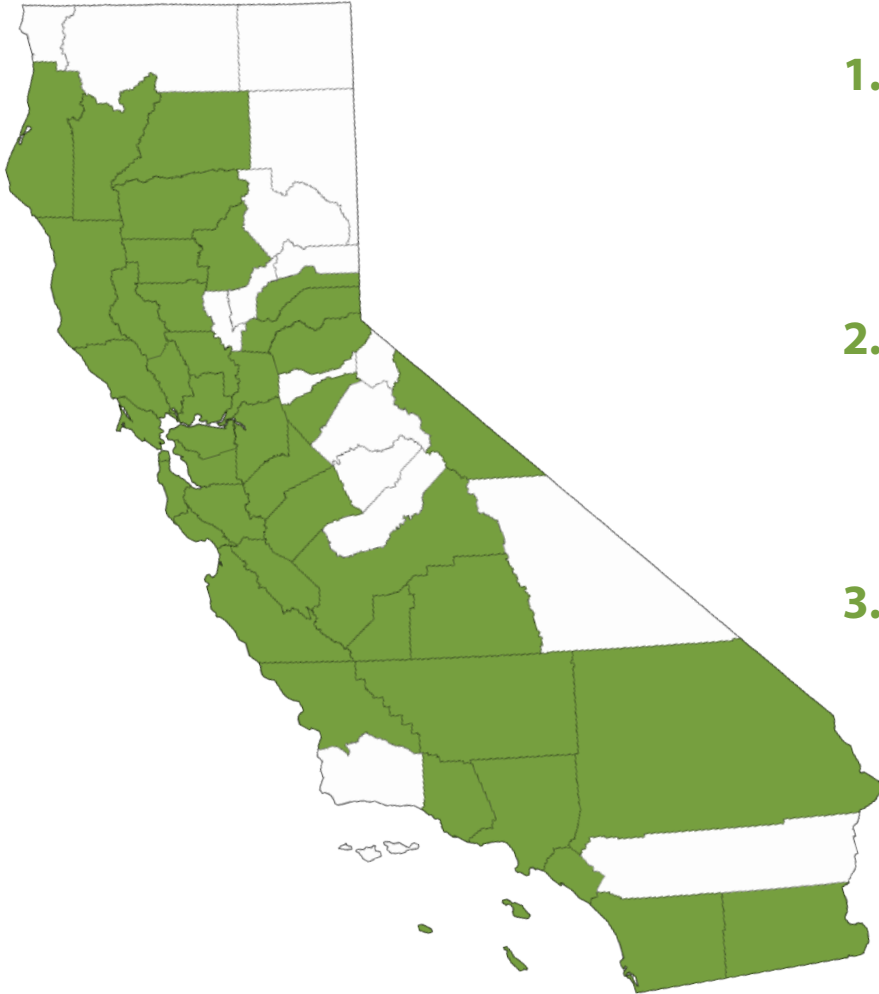

July 11, 2018

Agenda

- Updates
- Poll
- Tracking Forms
- ACES Connection
- Stories & Discussion
- Technical Assistance

The 3 Main Components of the Bridge Program

1. **Emergency child care voucher** (6-12 months) *maximizes funding to support the child care needs of eligible families (AP)*
2. **Child Care Navigator** *helps to increase the number of foster children successfully placed in home-based family care settings (R&R)*
3. **Trauma-informed care training and coaching** *will increase capacity of child care providers to meet the needs of foster children in their care (R&R)*

Staffing Updates

Charlotte Williams, *TIC Training & Coaching Manager*

*Manages the implementation of the
Training & Coaching component for ECCBFC

Fosters community engagement*

Elgin Webb, *Research Associate*

*Met with R&Rs to discuss reporting needs
Developing tracking tools and templates (e.g. referral forms)
Supports R&Rs in strengthening tracking/reporting practices for the success of ECCBFC*

Updates from CDSS

- CDSS released the ACL with Opportunities for CWD to opt into the Bridge Program for FY 18-19
- CDSS has offered to cc R&Rs on communicate in response to opt-in/out from counties so that R&Rs are aware of their county's status; we are all working to support flow of communication locally.
- FY 17-18 funds may be rolled over to FY 18-19. Be sure to expend FY 17-18 first, as there is no anticipated rollover into future FYs.

TIC Training Concept

First TOT will be in Sacramento with WestEd

- Tentative August 28-29 or 29-30(12hrs)
 - Module 101: Supporting Foster Care Children in FCC/FFN Homes: Trauma and Resilience
 - Module 102: Understanding Foster Care as a System and Preventing Compassion Fatigue & Self Care
- 6 x 2-hour Webinars/Discussions
 - Review the TOT and go deeper
 - Provide feedback on the curriculum
- Two-day TOT (fall/winter 2018)
 - Trainers train on the content and receive support from the Network team with the goal of building trainer capacity to facilitate trainings on this critical subject
