

LIFE—the only option.

Our mission is to protect all human life from conception to natural death.

The Declaration of Independence declares our God-given right to life, the Constitution secures this right for ourselves and our *posterity**, and the 14th amendment says that no state may deny life to any person without due process of law. We, the undersigned citizens of Ohio will continue to pursue legislative and initiative efforts until all human beings are protected *without exception* as our governing documents intended, and to elect legislators who pursue the same goals. Please send our names as written below to our legislators, and accept our donations for use in pro-life media campaigns.

**posterity: all those yet to come, born and unborn.*

**Please ask family and friends to add their names. For a tax deductible contribution, make checks payable to Life Education Fund. Mail form and donations to:
Right to Life of Northeast Ohio • Signature & Media Campaign • 572 West Market St., Suite 2 • Akron OH 44303 (or give to campaign director at your organization)**
